

WP5

Tool update:

The Incident Command & Control System (ICCS)

Vinciane Sizaire
Madrid, Public Health Preparedness & Response Core-Capacity Building,
2nd Module, 4-8 March 2013

Role of the ICCS

- Taking decisions
- Developing the “incident response” strategy
- Insure that decisions are translated into measures
- Coordinate all bodies / agencies that will play a role in the incident management

Principles of the ICCS

- Permanent institutionalised body versus ad-hoc body
- Flexible:
 - Depending of the nature of the hazard
 - Depending of the size of the incident

Exhaustive list of stakeholders

- To list all agencies (public, private, NGOs, international) that might play a role in incident management
- To attribute a leading or a supportive role:
 - Depending of the nature of the hazard
 - Depending of the size of the incident

Functions of the ICCS

- Command
 - Strategic
 - Communication / Information
 - Liaison
 - Safety
- General
 - Operations
 - Logistic
 - Planning
 - Finance / Administration

Between alert detection & triggering the ICCS

- Emergency Functional access contact 24/7/365
 - In each sector
 - One for the general public
- Roles:
 - Reception
 - Filtering
 - Forward to the right body

Activate, maintain, extinguish the ICCS

- Activation of the ICCS
 - RRA
 - Multisectorial meeting to decide on the composition of the team & responsibilities
 - Deployment
- Maintain
 - Respect of roles & responsibilities of each actor
 - Common operating picture
- Extinguish:

Proficiency of the stakeholders

- The stakeholders of the ICCS are operational at short notice
- They have a clear job description
- They are trained

Acknowledgements

The EpiSouth-Plus project is co-funded by the European Union DG SANCO/EAHC and DEVCO/EuropeAid together with the participating national partner Institutions.

The financial support of the Italian Ministry of Health and ECDC is also acknowledged.

The Project is led by The Italian National Institute of health and counseled by an Advisory Board composed by EC, ECDC, WHO and other international experts.

The contents of this presentation are the sole responsibility of the authors and can in no way be taken to reflect the views of the European Union.
